**2. The subject matter of the proposed rule:**

The proposed rules establish the structure and process for the introduction of retail electric competition in the State of Arizona. The rules are designed to allow consumers to select the entity from whom to purchase

various services, and to allow electric service providers to reach customers who until now have never had the opportunity for such choice.

The agency docket number, if applicable: R-0000-94-165

3. A citation to all published notices relating to the proceeding: Not applicable
